

A scenic landscape photograph of a sunset over a bay. The sun is low on the horizon, casting a golden glow across the sky and reflecting on the water. The sky is filled with dramatic, dark blue and grey clouds, with some lighter, golden clouds near the horizon. The foreground is dominated by lush green vegetation, including tall grasses and shrubs, some of which are in shadow. In the middle ground, a calm bay or inlet is visible, surrounded by dark, silhouetted hills. The overall mood is serene and majestic.

An aerial photograph of a modern, two-story building with a dark roof and large glass windows, situated on a sandy dune covered in green coastal vegetation. The building is positioned in the lower center of the frame. In the background, a wide beach stretches across the middle ground, leading to the ocean. The sky is a gradient of warm colors, from a pale blue on the left to a bright orange and yellow on the right, indicating a sunset. The overall scene is serene and picturesque.
